Biannual report on the implementation of the 2019 budget

The President of the Organization said that according to the Articles of Association, the implementation of the budget of the Organization should be regularly reported to the Assembly of Delegates. There is also very close cooperation with the Chancellery in the preparation of the statements. The material was discussed on site.

The report distributed on the spot shall include data for the first six months. In terms of its own revenue plan and utilization plan, the Doctoral Student Association is expected to meet its planned revenue on an annual basis in 2019. Existing funds will be used according to schedule, and the organizational unit is expected to close at the end of the year with a positive balance.

Deciding on the 2019/2020 fall semester outstanding public scholarship application

The Vice-President of the Organization presented the proposal for the outstanding public scholarship application and the deadline for applications. The Delegates Assembly accepted it, so the deadlines for the outstanding public scholarship application are as follows:

September 2019 - September 9

October 2019 - October 4

November 2019 - November 4

December 2019 - December 2

January 2020 - January 6

Report on the implementation of the Studia Doctorandorum Excellentiae study volume

The Vice President of the Organization said that as a result of nearly two years of persistent work, the "Studia Doctorandorum Excellentiae - Past, Present and Future of Doctoral Education" was born. A volume of studies that includes essays written by experts and doctoral students on some aspects of doctoral education. The volume discusses the historical precedents of doctoral education and current regulations the economic implications of the training, and the Doctoral Student Association and how it can be further developed. He added that they are planning the book launch for September 25, 2019, where authors will be able to summarize the essence of their studies, where everyone is welcome.

Information on the organization of the MedPECS Conference 2019

The Vice President of Science of the Organization said that the official website of the conference was in both Hungarian and English, and that the necessary rooms at the Szentágothai János Research Center were reserved for November 9, 2019. He adds that the poster section and the catering service will have space in the ground floor lobby. Csaba Szántay Jr. accepted the invitation of the plenary speaker. All the information required for registration is available on the website.
